INTERNAL WORK PRODUCT: NOT RELEASABLE UNDER FOIA

Ginny:

Please find attached TSCA comments on the revised Phase III RAP dated June 2017 for the Aerovox Site. Both Cindy and Dave L. have provided review of and input into this comment letter.

Also attached are separate EPA comments that were transmitted to the state on 9/25/2017. These comments are referenced in the attached TSCA comment letter and thus need to be included as an attachment to the TSCA letter.

In addition, Cindy has drafted a separate letter that will be transmitted directly to Gary advising of the EPA interim cap. This letter needs to go out before the TSCA comment letter since the TSCA comment letter also references the EPA interim cap.

If you wish to see a copy of what Cindy has drafted, please let me know and I will transmit. Bob and Lynne are currently reviewing.

Call me if you have any questions or wish to discuss.

Thanks much.
